

ROMBA 2020

LGBTQ MBA & GRADUATE CONFERENCE

ROMBA 2020: NETWORKING TIPS FOR OUR VIRTUAL COMMUNITY

CONFERENCE DATES: OCTOBER 2&3, OCTOBER 8-10

THERE ARE MANY WAYS TO CONNECT WITH OTHERS AT ROMBA, EVEN IF WE ARE VIRTUAL THIS YEAR!

- **Search for other attendees by school, company, industry, location, or affiliation** (i.e. pre/current/post MBA). From their profile, send them a message and introduce yourself. If you're interested in connecting to ask them questions, we recommend you review their conference and/or LinkedIn profile first so you can tailor your message to their experience.
- **Drop into our [Public Forums](#)** (under Conversations) to meet others with like interests.
- **Join our Drop-In Networking Sessions** outlined on our [Conference Agenda](#). These are less structured sessions where you can drop in and say hi to others who share your interest. There will be a facilitator to help people get introduced and acquainted.
- **Come to our Receptions.** Each reception will kick off with a short fireside chat with a few students and ROMBA alumni, then we'll breakout into smaller groups where you can continue conversations with smaller groups in a more intimate setting.
- **Stick around after the breakout sessions** for a 10-minute debrief with other attendees and to exchange your info!
- **Make new friends at our Social Activities:** Teams will be created by our facilitators at the pub trivia night and online scavenger hunts. No experience necessary! Or join a Netflix Watching Party and learn about legendary LGBT+ activist Marsha P. Johnson.
