RECRUITING AT ROMBA 2020

OCTOBER 2 & 3, OCTOBER 8-10

There are many ways you can find internships or full-time employment at ROMBA. [Registering](#) for the conference early allows you to get a jump on the process!

- **Student Interest Reports:** During the registration process, you select which companies you're interested in meeting. Your details are immediately available to each company you select so they can review your profile and reach out directly.
- **GradLeaders Jobs Portal:** Use the link in your registration confirmation to create a profile on our GradLeaders jobs portal. This increases your visibility with corporate partners, who are searching for candidates now, and allows you to apply for the jobs they are posting.
- **Career Expo:** Attend the Expo taking place October 8 & 9, 12-2:30pm ET. Corporate Partners will each have a virtual booth for you to visit with team members available where you can video chat with in real time.
- Check out our [pre-conference sessions](#) taking place September 18 and 25, especially if this is your first ROMBA.
- Once the ROMBA virtual platform opens on Sept 16, request a meeting with other attendees. Meetings will take place from 9am-6pm ET on Sept 28 & 29.
- Send fellow attendees a message, and join our panels and networking sessions!
