

LGBT+ AND CONSIDERING AN MBA?

Join admissions professionals from 60 top MBA programs, current and post-MBA students at the 23rd Annual ROMBA Conference, pre-MBA Summit October 3, 2020.

The [ROMBA conference](#) is the world's largest gathering of LGBT+ business students and alumni. Last year 1,800 people connected through C-suite panels, workshops, competitions, receptions, and a career fair with 100 corporate partners across industries recruiting LGBT+ MBA talent.

This year we are re-imagining ROMBA in a virtual world! Join us this year as we continue to increase the influence of the LGBT+ community in business.
