RHYTHM AND RESILIENCE CELEBRATES THE POWER OF LGBTQ+ MBA STUDENTS AND PROFESSIONALS TO ADAPT, LEAD, AND THRIVE.

Inspired by New Orleans, the birthplace of jazz, this theme reflects how we find strength through authenticity, collaboration, and community. In a time of social, political, and economic shifts, it’s a call to embrace our identities, amplify our impact, and lead with purpose. Even under pressure, we rise, we lead, and we create change - together.
